Video:

“Who *is* Jesus, in those moments of spiritual blankness? Not: who is he once you conquer that sin, but who is he in the midst of it?... (Jesus’) heart is such that he stands and speaks in our defense *when* we sin, not after we get over it. In that sense his advocacy is itself our conquering of it.”

- “How does the reality that Jesus is interceding for us right now calm/reassure you and also strengthen your prayer life? Tell of an instance where this reality has comforted you or could have comforted you.”

- "Is there some way in your heart right now that you are defending yourself, which God is calling you to lay down and to rest completely on the advocacy of Jesus on your behalf?"
